Assistant City Attorney
Killeen Police Department

Killeen, Texas 76542

OR2011-04081

Dear Ms. Mapes:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 417109 (Killeen ID #W004995).

The Killeen Police Department (the "department") received a request for information pertaining to a specified case. You state the department has released basic information to the requestor. *See* Gov't Code § 552.108(c) (stating basic information about arrested person, arrest, or crime may not be withheld under section 552.108); *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note the submitted information includes the blood test results of the requestor. Section 724.018 of the Transportation Code provides that on request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. Transp. Code § 724.018. Here, the requestor is the individual who submitted the specimen at the request of a peace officer. Thus, the department must release the blood test results contained in the submitted information to this requestor pursuant to section 724.018 of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime.” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to a pending criminal prosecution. Based on this representation and our review, we conclude that the release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, with the exception of basic information, which you state has been released, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the department must release the blood test results contained in the submitted information to this requestor pursuant to section 724.018 of the Transportation Code. With the exception of basic information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
